On the continuum below, please click the box that best represents where you place yourself.

THEOLOGICAL SPECTRUM

Why did you place yourself on the spectrum where you did? My world view, as having worked at the local, regional, national and international level of the churches, has given me a wide understanding. The biblical understanding of justice, love and grace for all of God's children is the foundation of my viewpoint and action.

Please share with the committee what you believe are the key theological/social issues currently facing the church and society, and how they shape your experience in the church: Implementing God's mandate for all to be treated equally, in all aspects of what society has to offer, is a theological imperative that still seems to be illusive -see Mathew 25-feed the hungry, heal the sick, set free the captive, etc. This is the judgement of the nation.

Please indicate why you want to represent National Capital Presbytery at the General Assembly: My previous answer is a prominent theme in NCP. I know that it is not an exclusive theme. I have preached in about half or more of its churches and have a sense of the variety of concerns and views.
