

## Northeastern Presbyterian Church

**Come Join Us for WHOOSH ~ Vacation Bible School**, an exciting journey where everyone will experience God's power, presence, and steadfast love! We will celebrate how throughout the Bible, monuments are built to remember what God has done in the lives of God's people. Guided by six Church Kids, who by faith, take flight— **WHOOSH**—on Holy Spirit-powered bicycles, participants will move across the country, to experience God's power, presence, and steadfast love, through games, interactive art, music and crafts.
