

# SEPTEMBER 11

## A STEWARDSHIP PRESENTATION

### Vulnerability and Courage: The Practice of Stewardship

This is an introductory workshop that explores the practice of stewardship through the lens of researcher Brené Brown. Dr. Brown, a practicing Christian and professor of Social Work, has published her research on shame, vulnerability, and the practice of courage that leads to “wholeheartedness”. Her data conclude that persons who experience “wholeheartedness” strengthen the communities to which they belong, including congregations.
