Children's Ministry Re-Opening Discussion - Monday, June 28 - 12:00-1:00 PM via Zoom

Are you planning children's ministry programs for the fall and not quite sure what they should look like? Thinking about re-opening Sunday school, childcare/nursery, children's choir, or other education opportunities? Please join other members of the Presbytery to discuss and brainstorm ideas!

Knowing that answers may be different for each church within our Presbytery, we will discuss questions like:

- What will we require of employees, volunteers, and families?
- Will we use hybrid models?
- What safety protocols are appropriate to plan for?

Discussion facilitated by Noelle Castin and Matt Nabinger, members of the Presbytery's Spiritual Formation Team.

This discussion is open to both laypeople and church staff—anyone who volunteers or works with Sunday or mid-week Christian Education programs. Bring your questions and ideas to share with the group!
