Let Freedom Ring: Journeys through the Civil Rights Movement and the Roots of American Music Alabama Pilgrimage 2022

Join a “Civil Rights Pilgrimage” to Birmingham and Montgomery Alabama from March 21-27, 2022. Led by Reverends Maggie and Larry Hayward, pastors at Northwood in Silver Spring and Westminster in Alexandria, the trip is organized by Classical Movements, a Washington, DC agency. This trip will expose participants to the political, cultural, and agricultural landscape of the South, fundamentally shaped by the institution of slavery and its after-effects, and the way some of the world’s most vibrant and distinctive musical styles impacted the Movement. We will visit critical sites in the American civil rights movement and experience meaningful cultural and historic tours of the region’s musical tradition. We will grow together in faith and understanding of our nation’s history and our nation’s present response to concerns of race and ethnicity. We hope you will consider joining us for Let Freedom Ring: Journeys through the Civil Rights Movement and the Roots of American Music Alabama Pilgrimage 2022. A \$150 refundable deposit is due no later than December 15. Pricing, details, and registration information can be found here: <https://wpc-alex.org/alabama-pilgrimage-2022/>
