Terms of Call Packet for PNCs – 2023

Housing Allowance

Entrance Process (Part IV)

National Capital Presbytery

Terms: Call Forms (A and B), Requirements & Information, Equity Allowances Additional Components: Sexual Misconduct Policy & Housing Assistance Agreements

Terms of Call Form A.

This form is submitted as part of the Entrance Process and must be signed by both the chair of the PNC and the minister/candidate. It is due to COM Administrator before the Entrance Exam can be arranged.

Terms of Call Form B.

This is identical to Form A (minus the housing assistance section) and is the official call form. One copy of this form must be signed at the congregational meeting by the PNC Chair, minister/candidate and the moderator of the meeting. The Stated Clerk will sign the form later. The form is to be provided to the COM Administrator as soon as possible following the congregational meeting. The form may be provided via electronic or physical means.

Requirements and Information

1. Nominating committees should check the National Capital Presbytery's Compensation Policy for Clergy, which is found on the Presbytery [website](#).
2. Presbytery Minimums. See Clergy Compensation Policy <https://thepresbytery.org/documents/committee-on-ministry-documents-2/>
3. Elements of Effective Salary. Some of these are included in the spreadsheet and are also explained in the Presbytery's compensation policy (#1). Effective salary is explained in detail in "Understanding Effective Salary" published by the Board of Pensions. <https://www.pensions.org/file/what-we-offer/benefits-guidance/forms-documents/Documents/pln-103.pdf>
4. Salary Ceilings/Caps. At certain effective salaries there is a cap on earnings subject to FICA and BOP requirements.
5. Your PNC liaison can always contact the Transitions Team Chair or the COM Administrator, for clarification, additional answers, or where to find them.

Sexual Misconduct and Administrative Leave Policies.

By signing the Terms of Call form, the Pastor and Session agree to abide by the Book of Order (D 10.0106) and the Presbytery's Sexual Misconduct and Administrative Leave Policies which permit the Presbytery to put a minister on administrative leave upon receipt of allegations of sexual misconduct or for failure to participate in the mandated training on the Presbytery's Sexual Misconduct Policy within the first year of the call and every three years thereafter. Both parties need to be aware of this and review these policies. It's the responsibility of the PNC to inform Session and their candidate. Both policies are on the website and are sent to the candidate when the Entrance Interview is scheduled.

Housing Assistance Agreements.

In addition to the terms of call, many churches are able to help pastors new to the area purchase housing with equity sharing agreements or loans.

- Equity sharing agreements must be approved by the Commission on Congregational Transitions (CTC) and are kept on file (the General Presbyter has been delegated approval authority by the CTC).

- The key element that will be evaluated is the shared risk of either profit or loss at the end of the contract. Risk cannot be assigned to one party over the other. Templates and samples are available from the General Presbyter.

- Loans and other agreements must also be approved by CTC and are kept on file. Note: the interest savings of an interest-free loan is included in Effective Salary.
 - Documentation for these agreements, if available, should be submitted to the COM Administrator along with the Terms of Call Form prior to the Entrance Interview.

 - If an agreement is planned but will not be negotiated by the time of the Entrance Exam, a general description of the anticipated agreement must be submitted along with Terms of Call Form and full documentation should be submitted to CTC when complete. Please see page 4. This form may be submitted or you can supply your own documents containing all the specified information.

 - These planned but not finalized agreements (or descriptions) are not part of the Terms of Call nor are they voted on by the congregation at the time of the call. It is required that an agreement/description be submitted with the Terms of Call.

 - When the legal detail of any loan or equity sharing agreement is completed, then that agreement must be approved by a vote of the congregation.

 - If a loan is extended, it is recommended that the interest be paid monthly so that the terminal repayment does not balloon.

Salary Ceilings/Caps

1. FICA Offset.

Note. The required 7.65% FICA is a combination of 6.2% for Social Security and 1.45% for Medicare.

- The cap on earnings subject to Social Security tax is available at <http://www.ssa.gov/planners/maxtax.html>. There is no cap on the earnings subject to Medicare tax.
- This means that for Effective Salaries above the cap the requirement is 7.65% of the cap amount, plus 1.45% of the amount above the cap. This changes annually.

2. Board of Pensions

- The cap for medical dues assessment is set annually by the BOP, so any effective salary more than that figure escapes from that portion of the dues calculation.
- For our purposes this means that any effective salary beyond BOP Maximum is assessed at 12%: 11% for retirement, 1% for death/disability.
