10:00 AM to 01:00 PM

Arlington Presbyterian Church

Inaccuracies on criminal records can present challenges to accessing employment, housing and other important opportunities. Please Pre-Register to join us at Arlington County and the City of Falls Church's Expungement Clinic to see if we can assist you in the expungement of your criminal record.

Not all criminal charges are eligible for expungement, nor should you have active warrants of arrest prior to attending the clinic. Volunteer Pro Bono defense attorneys will be present to provide assistance.

FILING FEE COVERAGE - \$86

Filing fees to open expungement cases will be covered on a first-come, first-serve basis while funds last.

IMPORTANT PAPERWORK

Please bring Warrant of Arrest or Final Disposition for each charge that you are seeking to expunge. Please note that your criminal records must consist of Arlington County/City of Falls Church charges to expunge in this jurisdiction. If you have not pre-registered, please arrive no later than 10:30 a.m. to complete initial paperwork
