

Planned Giving

Did you know that the average size of a plant gift is greater than someone's lifetime annual giving? To get planned gifts, all we need to do is talk about it from time to time. Most are not opposed to it; they just don't think about it. Let's gather to talk about a simple plan.

Join us as we discuss:

What is planned giving in the church?

What does a simple program?
Where can we get resources?
