

## Announcements:

**A word from your Nominating Committee:** The nominating committee needs your help to identify wonderful candidates for the next Vice Moderator, with the hope this person will go on to be our Moderator. If you are interested in serving as Vice Moderator when the current term ends in 2024, or know someone who would be fantastic as a connector, collaborator, and moderator of our shared work in the presbytery, please fill out the [Nominating Form](#), indicate "Moderator/Vice Moderator," and share a little about your sense of call and giftedness for this work. **Submissions are due March 15.**

Also, it's nominating season for all committees! You can also use the form to self-nominate and indicate interest in serving in other roles in the presbytery. Questions? Reach out to Patrick Hunnicutt, Nominating Committee Chair, at [p.hunnicutt@wpc-alex.org](mailto:p.hunnicutt@wpc-alex.org).

"In our joyful anticipation of Easter, we're excited to share a creative endeavor by one of our Presbytery's own, **Rev. Crawford Brubaker**. Their recently published children's book, *"Hope's Journey: The Tale of the Easter Bunny,"* offers a unique and touching narrative that intertwines the playful story of the Easter bunny with the profound journey of Jesus' life, death, and resurrection. This tale invites young readers and their families to explore the Easter story through the eyes of Hope, a bunny who witnesses the miracles, teachings, and ultimate triumph of love that Easter represents. It's a wonderful resource for parents and educators looking for meaningful ways to

introduce the essence of our faith alongside familiar Easter traditions.
