

Report on NCP Funds for Ukraine Evangelical Theological Seminary (UETS)

**Howard Frost
April 13, 2024**

NCP transferred \$14,500—based on GMN Nov. 2023 recommendation—through The Outreach Foundation

UETS normal usage of TOF funds (about \$15,000/mo.)

- Hot meals to locals and IDPs (about 1000 per week)
- Assistance to military: Chaplaincy training; food, water, and warm clothes for soldiers
- Support to local churches
 - Pastors and congregations purchase food, cook it, and take it to neighborhoods where people are suffering
 - Congregations bring warm clothing for the needy
 - Pastors and congregation members share Gospel along with humanitarian assistance, pray with people
 - This assistance has had a significant evangelistic benefit
 - Challenges arise when churches of 25-50 people grow to 200

Normal UETS Oversight

- UETS and Ukrainian Evangelical Church require reports from pastors who receive assistance
- Pastors implement best practices, developed by UETS
- UETS has a full-time staff member for oversight for UETS-utilized funds and funds disbursed to pastors
