Greetings People,

Priorities named from members in this Presbytery through the *HolyCow! Landscape* (a presbytery CAT) and from survey suggestions after each Presbytery meeting are EXACTLY why we are doing what we are doing: Connecting with one another and Prophetic Witnessing to God's love and justice in this world!

This coming Sunday, let's get together with youth from around our Presbytery at **Hope Presbyterian Church in Mitchellville, MD, October 19**. The **NCP wide Youth Gathering** welcomes **Zy Bryant for an afternoon of Faith in Action as Youth and Young Adults**.

Zy Bryant (a Virginian native), at the age of 12, started organizing students in a rally for justice against police brutality. In 2015 and 2016, still a teenager, Zy organized and spoke towards funding for public education and petitioning to the City Council of Charlottesville, VA (Zy's home) for the removal of Confederate statues in her town and renaming parks. In 2019, Zy published a collection of poetry and essays titled, "RECLAIM."

All of Zy is grounded in her faith, in her private and public life. Zy will be facilitating us in practices and disciplines of faith in our lives. **Through labyrinth walks, basketball, food, and PRAISE, youth of NCP are welcome to join in the fun of discipleship: Praying with our FEET!**
