

# ART OF THE SOUL

## MORE MESSY FINGERS

Monday, **January 26** 7-8:30PM or  
Tuesday, **January 27** 10-11:30AM

There is something about getting our hands messy that takes us back to when we were little. Some of us are messier than others by nature, but all of us can benefit from the occasional departure from order and neatness. This class is a continuation from our first Finger Painting class where we will create beautiful landscapes with our fingers. Come for the first time, or return for more finger-painting fun! Session cost: \$20

## GETTING TO THE POINT

Monday, **February 2** 7-8:30PM or  
Tuesday, **February 3** 10-11:30AM

Pointillism is a painting style of strategically placing dots and dabs of color onto the canvas which can be painted with either a brush or fingers. By viewing the piece at a distance we are able to see the image come into focus. Session cost: \$20

## JUST LIKE THE MASTERS

Monday, **February 16** 7-8:30PM or  
Tuesday, **February 17** 10-11:30AM

This is a wonderful class for us to create our version of some of the classic paintings of our times. We will study the brushstrokes and palettes of classics like Van Gogh's *Starry Night* and Monet's *Lilies* and create our own version...it promises to impress your friends! This student used her fingers to create this masterpiece! Session cost: \$20
