Built to Belong

As the United States marks its 250th anniversary, this faith concert brings together people of many backgrounds to celebrate the shared work of building home, hope, and community.

Through music, testimony, and generosity, we honor the African American story as a foundational part of America's journey – recognizing the faith, labor, and perseverance that helped shape communities even when opportunity was denied.

Special performances by Jeremy Winston Chorale International.

For more information, please contact Tim Warner, Director of Community Engagement, at timothy.warner@habitatmm.org.
