

MORAL MONDAY PEACE RALLY

NO to WAR.
NO to POLICY VIOLENCE.
YES to PEACE.
YES to JUSTICE.

MONDAY, MAY 11, 2026
5:00 PM

Black Lives Matter Plaza NW
16th St. NW between H St. NW
and K St. NW | Washington, DC 20006

We gather in disciplined, nonviolent moral witness because:

- war is **violence**,
- poverty is **violence**,
- denying health care is **violence**,
- denying voting rights is **policy violence**, and
- denying statehood to citizens in DC is **violence**.

Bring your body. Bring your voice.
Bring your faith. Bring your conscience.

Clergy should wear vestments appropriate for public witness.
