

FREE MONEY!!

GO GREEN, GET GREEN

Up to \$2000 in matching funds available from NCP, through the Earth Care "Power to Change" grant, for energy use reduction projects.

<https://thepresbytery.org/resources/earth-care-network/>

CONTACTS:

DAVID KEPLEY

NCPECN2026@GMAIL.COM

Purpose of the grant:

The PCUSA calls congregations to care for God's creation and to aspire to live carbon neutral lives.

What are the specifics?

- Matching grant of up to \$2000
- Must show reductions of CO₂ by doing things like replacing incandescent light bulbs, installing solar panels, or by conducting an energy audit that will lead to reductions
- Holding educational activities in your church
- Participate in advocacy for a green future
- File a report with NCP at the end of the project

How do I apply?

- Complete a general application, as well as the Power to Change application and forward them to one of the contacts listed above.
- Here is a link to the application <https://thepresbytery.org/wp-content/uploads/2026/01/Equipping-Congregations-Grant-Application-Final.docx>
